

Tranquility Room

A therapeutic visual, auditory, and educational program for palliative care patients and families

"I'd like to place a note in the Wailing Wall"

"Now families come to visit their loved ones with a purpose. Often adult children use the Learn Guide while grandchildren build legacies with their grandparent."

— Angela Contreras, R.N., Palliative Care
Henry Mayo Hospital

Immersive Experiences

- Patients are surveyed — **"Where is your calming place?"**
- Those places and experiences are made into **immerse videos**
- Patients and families choose personal immerse videos to **bring them comfort**
- Creativity modules enable meaningful connections — resulting in **priceless memories for generations to come**
