

Spiritual Care Center

If you felt the need for prayer and spirituality, where would you go?

Patients make their selection on a **Touchscreen**. Within seconds they are immersed in the scene of their choice.

“This is a **sacred space**, intentionally created to reflect the rich spiritual diversity of our patients and families. “

Annette Walker,
President,
City of Hope Orange County.

FOUNDERS

Dr. Leonard Sender: Oncologist, immunotherapy visionary, and champion for Adolescents and Young Adults with cancer.

Roger Holzberg: Former Disney Imagineer, Creative Director of the National Cancer Institute, and cancer survivor / health innovator.

- Our core design specialists are (former) Disney Imagineers applying Disney’s “architecture of reassurance” into an “**architecture of healing**”
- Reimagine Well delivers custom experiential design and media for a **calm and healing environment**
